The new [website](#) is up and running. The address is above. Please check it out.

Trail Report: Trail conditions are good for the most part. There are some open water holes in places so ride with care. The cold weather and snow we are getting now will help them. C4 from Hill Road to Jerseyfield/ Mud Lake and Mosquito hill are closed due to water hazards. Trail updates are available at the club's Facebook page: <https://www.facebook.com/OhioRidgeRiders>

In mid-January we had a bad ice storm that caused a great number of trees and limbs to come down in the trails. A week later another storm brought more down. Many thanks to everyone that helped clear the trails over this period.

C4H between Haskell's and the Black Creek Lake/Nobelboro Junction has also been brushed to allow the large groomers easier access. Thank you to everyone that helped with this task.

The 2017 Poker Run was held on Saturday January 28, 2017. We got a foot of snow just before the event, so the conditions were good.

Winners this year were:

1st place went to Ross Morgan.

2nd place went to Hellen Muller.

Worst hand went to Justin Roark.

Thank you to everyone who participated and to the club members that worked the event.

Unfortunately, we have received complaints from a few landowners about loud sleds and sleds not staying on the trail. We do not want to have a trail closed due to the disrespectful actions of a very small minority of riders on our trails. Please respect our landowners by keeping the stock pipes on and staying on the trail.

Snowmobile cabin for rent in Ohio. Outhouse, wood heat, generator ready. Close to trail and Ohio Tavern. Sleeps six. \$100.00 a night or \$500.00 a week. Call Brian at 315-826-3126 for info.

The new Pisten Bully 100 has arrived and is working great!

Ride safe and enjoy the best conditions we have had in a few years.

The next meeting will be Wednesday March 1, 2017 at the Ohio Recreation Hall on Nellis Road at 7:30 PM.
