Trail Report: On October 31st and November 1st we received over 5" of rain that caused extensive flooding throughout our area. High winds were also received during this storm. We know of bridge repairs that are needed on C4 between Gray-Wilmurt Road and Billy Hamlin Road and by Military Road in Norway. C4H going to South Lake also needs some bridges replaced. Some trails have not yet been checked due to the very wet conditions. These areas will be checked as soon as conditions allow. There will also be a trail re-route from Cooper Road to Hall Road on C4 due to a landowner closing their land. This will require a great amount of work as well. Help will be needed to complete these projects. Please monitor the clubs Facebook page for updates and when work parties are scheduled.
