

# Ohio Ridge Riders Club Newsletter March 2021

[www.ohioridgeriders.com](http://www.ohioridgeriders.com)

The March 2021 meeting was held on Thursday March 4, 2021 with 15 members present.

All trails are currently open with good conditions reported. After the thaw last weekend, the trails are very hard with some icy spots and some corners are getting thin. As always, ride with caution. Conditions can change very fast. Grooming is happening most every day as weather allows. The forecast calls for warm weather next week, so this will be the weekend to ride!

Groomers and trail workers, please report any trail maintenance/grooming to trail coordinator Brian Rhea at <mailto:orrctrailcoordinator@gmail.com>.

Follow the Club on Facebook for the latest news and events: <https://www.facebook.com/OhioRidgeRiders>

Last Monday a strong cold front moved in with high gusty winds. Early Tuesday morning the groomers were out checking the trails and clearing hazards. Many trees and limbs were down. If you see a limb in the trail, please take a moment and toss it out of the way. This small act will greatly help the groomer operators. Thank you.

A huge thank you to all the volunteers that make our trails great!

Gas is available at the Ohio Tavern 24/7 with a credit card. Be sure to fill up before venturing out.

The next meeting will be Thursday April 1, 2021 at 6:30 PM at the Ohio Recreation Hall.

We have had a great season so far. For seven weeks the trails have been great. We will keep them going as long as the weather allows. Please continue to enjoy them.

Ride safe and continue to respect our landowners by staying on the trail and keeping the stock exhaust on your sled.
