The January 2022 meeting was held on Thursday January 6, 2022 with 16 members present.

Trail Report: All trails are closed due to the lack of snow. Colder weather is forecasted starting this weekend. This should freeze up the wet areas. Some trails are so wet that we cannot get through them to check for trees down and other hazards. Trail openings will be announced on our Facebook page. Once the trails open, please use caution for wet sections and downed trees and limbs.
