

# Ohio Ridge Riders Club Newsletter March 2022

www.ohioridgeriders.com

The March meeting was held on Thursday March 3, 2022 with thirteen members present.

The season has been a challenging one with low snowfalls and two major rain events. Most trails are open with thin cover and icy spots. Please use caution if you ride. C4 from the HK17 junction to Salisbury (Mud Lake Trail) is closed due to washouts and rocks. C4C to Mosquito Hill has some washouts in the swamp. Warm temperatures and rain is forecast for Sunday and Monday. This may force us to close the trails. Trail announcements will be made on the clubs Facebook page. Follow that for the most up to date information. <https://www.facebook.com/OhioRidgeRiders>

Unfortunately S-44 from the top of Buck Hill into Poland has been closed by the landowner. This was due to three individuals riding off the trail near the firehouse and school. The landowner has crops planted in the field and riding off the trail has damaged them. This has happened to other clubs in the area as well. Please respect our gracious landowners and stay on the trail at all times. Without our landowners, there will be no trails.

Before

If you do ride, please be careful of blowdowns. This just happened on C4B. Two club members immediately cleared the trail. Thank you Rich and Kenny. The volunteers are what make our club great.
