The February 2025 meeting was held on Thursday February 6, 2025 with 12 members present.

Trail Report: Most trails are open and in great shape. C4H from the Mad Tom Junction to South Lake is being worked on. It is passable but expect adventure conditions. Do not ride it alone. We have had groomer breakdown problems for this trail. C4 by Mud Lake to Salisbury is currently closed but the guys hope to get it opened this weekend. We have been informed that the trail re-route in Morehouse has been completed and is open so travel between Ohio and Piseco is now possible. Trail updates will be posted to our Facebook page at:

<https://www.facebook.com/OhioRidgeRiders>

We have had some complaints of people riding off the trails, littering, and one instance where a landowner fence was damaged due to someone hitting it. The club will be paying for this repair as the person who hit it has not come forward. Please be respectful of our landowners.

The 2025 Poker Run was held on Saturday January 25, 2025. Conditions were the best that we have had in a number of years. Winners were:

1st. Place: Jason Tabor \$500.00

2nd Place: Liz Finn \$300.00

Worst Hand was a four way tie with each getting \$50.00

The Club would like to thank all those that supported the event as well as the organizers and volunteers that staffed the event and the businesses that participated in the event.

The club has purchased a new Trail Paver II drag and it is working great.

It takes a lot of hard work from the volunteers that maintain the trails. Here is a water hole being corduroyed. If you do any kind of trail maintenance, please be sure to let the Trail Coordinator know so we can put the time towards our

maintenance grant for reimbursement. E-mail the trail coordinator at:

orrctrailcoordinator@gmail.com.

Enjoy the best conditions we have had in a number of years. Ride safe and ride right. And always respect our landowners!

The next meeting will be Thursday March 6, 2025 at the Ohio Recreation Hall at 140 Nellis Road at 6:30 PM.
