The January 2025 meeting was held on Thursday January 2, 2025 with seven members present.

Trail Report: With the snow we are getting today and forecast for the weekend, we will assess things in the morning to see if the trails can be opened. When they do open, please be careful as the ground is not frozen and water holes could be an issue. Also watch for downed limbs and trees as something may have come down since they were cleared.
